

Sema Ltd.

Waikato ABB Compatible Float Level Probe

The BLACK wire is the common

Screen (Green/Yellow) Striped

Turn the page for instructions on how to set the top lock-ring

The probe comes from us with the top lock-ring set in the correct position for the **BLUE** output wire to be used. For other heights please use the diagram below. **Note that the measurements given are to the BOTTOM of the lock-ring from the bottom of the tube.**
